Disclaimer

Ariba invoices are a matter between Ariba and the supplier, in which Gasunie plays no part. Gasunie does however share an interest with its suppliers, namely to ensure that these invoices are properly settled. If they remain unpaid for too long, Ariba will suspend the supplier's account, whereupon you will no longer be able to receive orders from Gasunie.

This page is purely for information purposes and is intended to help Gasunie suppliers understand the Ariba invoices so that payment is not unnecessarily delayed. The latest tariff information can be found on the Ariba website.
